WORKING PAPER

Imperfect information and the excess sensitivity of private consumption to government expenditures

Lorenzo Pozzi ¹

April 2003

2003/173

¹ Department of Social Economics and SHERPPA, Ghent University, Belgium. Email: Lorenzo.Pozzi@ugent.be. I am grateful to Freddy Heylen, Geert Dhaene, Dirk Van de gaer and Gerdie Everaert for useful comments and suggestions. An earlier version of this paper was presented at the EEA Conference 2002, Venice, Italy.
