[°] We thank David de la Croix, Ben Heijdra, Geert Dhaene, Paul De Grauwe, Niko Gobbin, Franck Portier, Glenn Rayp and Dirk Van de gaer for valuable suggestions and comments on an earlier draft of this paper. We have also benefited from discussions at the doctoral workshop on "Economic Policy, Growth and Business Cycles" (Matagne, Belgium, June 2005) and at the 20th EEA Conference (Amsterdam, August 2005). Furthermore, we are grateful to Jørgen Elmeskov and Romain Duval for providing OECD data on employment rates and gross benefit replacement rates for different employment durations. We also wish to acknowledge support from the Belgian Program on Interuniversity Poles of Attraction, initiated by the Belgian State, Federal Office for Scientific, technical and cultural affairs, contract UAP No. P 5/21. Any remaining errors are ours.
