WORKING PAPER

The Impact of Bootstrap Strategies on New Venture Development: A Longitudinal Study¹

Tom Vanacker², Sophie Manigart³, Miguel Meuleman⁴ and Luc Sels⁵

January 2010

2010/637

¹ We would like to thank Wenling Wang and Linzhen Yang for research assistance and David Helleboogh and Eddy Laveren for helpful comments. We also appreciate the constructive feedback of Andy Van de Ven throughout the design of this study. Earlier versions of the paper benefited from presentations at the 2009 Babson College Entrepreneurship Research Conference (Babson College), the 2009 Corporate Finance Day (Antwerp University) and St. Petersburg State University. The financial support of the Flanders District of Creativity and Herculesfund are gratefully acknowledged.
